GTRF Fluorescence Scanning Request Form

Guidance

- All requests should include name, date of request and contact email address
- Standard time frame for requests to be completed is **2 weeks**.
- Slides **MUST** be dry and cleaned of all mountant or paraffin and free of overhanging coverslips. Slides will not be accepted otherwise.
- **Invoicing details**
 - Please complete relevant to your institution and funding body
 - Please include the address that slides need to be sent to
- Please include an excel file of image filenames to be used with your request – the template will be provided. The document list **must match** the slide order that slides are given in.
- Requests without a corresponding excel file will **NOT** be processed
- Please sign and date the request when submitting. GTRF team member will then sign and return this to you with a projected cost.
- Slides must be picked up within **6 months** or else they will be disposed of
- **Storage Options**
 - Please specify if you would prefer a hard copy of your images or if you would like to access them online via NZ Connect
 - Hard copies: A hard drive must be sent to GTRF in advance. We do not provide this for you
 - NZ Connect: NZ Connect is a digital slide viewing software which hosts our images for remote access
 - NZ Connect allows you to view, download and annotate images
 - If new access is required this can be arranged, please just state on the form that access is needed. An additional request form will be provided.
 - Access to the NZ Connect will be charged at a flat rate of £50
- **Fluorescent scanning requests:**
 - Please include experimental controls for optimisation of exposure levels.
 - Please ensure that slides are wrapped in foil and refrigerated (if your fluorophores are stable and don't require special storage, please let us know)
 - If you have examples of previous staining/what you expect your staining to look like, please attach to the request or add further details in section 4.
