## **EUFIN (Virtual) Workshop 2021**

### **2-3 September 2021**

#### **BACKGROUND**

We are pleased to announce the 16<sup>th</sup> Workshop on European Financial Reporting, which will be hosted by the University of Glasgow (Adam Smith Business School), Scotland, UK, on 2<sup>nd</sup> and 3<sup>rd</sup> September 2021. In continuation of the workshop's tradition, the 2021 Workshop will offer parallel sessions that give sufficient room to present and discuss academic research papers. In addition, there will be plenary sessions in which keynote speakers from practice and regulatory or standard setting bodies inform on practical implications of current developments in accounting and financial reporting within Europe.

Whilst we were all hoping to meet our colleagues at the University of Glasgow for our usual "in-person" workshop, unfortunately, the continuing challenges resulting from COVID-19 do not allow us to make such plans. This will be the first ever virtual workshop.

#### **TARGET AUDIENCE**

The workshop offers an opportunity and venue for the meeting of academics and practitioners that are interested in recent developments and research projects regarding financial reporting in Europe, its regulation and harmonisation, and its process of change due to international developments. Young academics are especially invited to participate and profit from the fruitful atmosphere of the EUFIN workshops. Topics of the papers may include, but are not restricted to, current accounting, governance and accountability issues with regard of the EU or particular Member States, economic and regulatory issues of international financial reporting and standard setting, auditing and enforcement.

#### **CALL FOR PAPERS**

Papers are invited on any aspect of financial accounting and corporate reporting in Europe. Practice and policy-oriented research papers are particularly welcome. Papers written in English should be submitted electronically no later than 28 May 2021. Please use the following e-mail address for paper submission: [eufin2021@gla.ac.uk](mailto:eufin2021@gla.ac.uk)

Papers will be subject to a blind review process.

Authors will be notified of acceptance by 30<sup>th</sup> June 2021.

## ACCOUNTING IN EUROPE FAST TRACK

High quality papers accepted for the workshop may be submitted to EAA's journal *Accounting in Europe* for a fast-track review.

*Accounting in Europe* aims to contribute to policy debate by publishing high quality articles that provide new insights for research, practice, policy and regulation in all areas of accounting. The journal welcomes papers from a wide range of paradigms and research methods which are targeted towards its mixed academic and practitioner readership and which enhance the understanding or the development of accounting and auditing either in Europe or for Europe from a global perspective.
